Holy Child Catholic School is rooted in faith and tradition. Part of our tradition is uniforms. Wearing uniforms provides a sense of order and discipline. Catholic schools can provide independent affirmation of the moral values and cardinal virtues that you parents instill in your children early on in life. Prayer... do we need to say more? We pray with our students before and after school, before each class, and before and after meals. Holy Child Catholic School encourages each student to accept the challenges of being a better person in tomorrow's world.
